Principal – John Ricci

Vice-Principal – Mary Jane Jarvis

## PARENT ADVISORY COMMITTEE MEETING PRINCIPAL'S REPORT Wednesday October 3<sup>rd</sup>, 2018

### LET'S CELEBRATE!

- ❖ All classes are now back in their permanent homes! We have had a few bumps in the road but all in all progress has been smooth. The next stage in the project will involve putting the roof on the entire main wing of the school (excluding the gym area). We are also waiting for work to begin on the Library area and the Resource Room. We are having to keep most of the furniture and resources for these two rooms in the gym until this work is complete. The gym should be able to be used on a limited basis.
- ❖ The students in the Primary classes visited with Canadian author Ruth Ohi on October 2<sup>nd</sup>, 2018. Ms. Ohi shared some terrific stories with the children and they in turn asked many thoughtful questions!
- ❖ Centreville Public School raised approximately \$850.00 as part of the Terry Fox Walk. Thank you to the Centreville community for their generous contribution towards Cancer Research!

### AROUND THE SCHOOL

- The Senior Co.Ed. Soccer Team will be travelling to Newburgh PS on Friday October 5<sup>th</sup>, 2018 to participate in our annual Family of Schools Tournament. Thank you, Mr. Clapp! Go Spartans!
- The Cross Country Team will be travelling to Fort Henry on Tuesday October 9<sup>th</sup>, 2018 to participate in the Regional Cross Country Championships. Thank you, Ms. Minielly! Go Spartans!
- The entire school is participating in a unique opportunity on October 15<sup>th</sup> and 16<sup>th</sup>. Over a two day period, all students will be participating in maker, innovation and technological programming offered by the Queen's Connections Engineering Outreach program. Thank you for organizing, Ms. Minielly.
- Grade 3 Students to attend "Swim to Survive" in October/November
- Bus Patroller Training will take place on Tuesday November 6<sup>th</sup>, 2018. Participants from Centreville, Newburgh and Enterprise will travel to Tamworth PS to take part in this leadership opportunity!
- Next week is Fire Safety Week and we are anticipating a Fire Drill carried out by the Stone Mills Fire Department.

### LET'S DISCUSS

- Budget and Teacher Requests
- School Improvement Process
- Construction Update
